The Poseidon Lifesaving Club Payments Policy has been established to provide transparent fee information, set procedures for the payment of fees and create a framework for dealing with non-payment in a swift and fair manner.

### **Membership Fees**

The Club offers three membership types, with the annual membership fee due each September:

Standard Membership applies to members under 18. The annual fee is €50.

Adult Membership applies to members aged 18 and over. The annual fee is €50.

Associate Membership recognises young people who have trained with the Club, achieved lifesaving qualifications, and wish to remain connected to the wider Poseidon Lifesaving Club community, even if they no longer train regularly. The annual fee is €10.

### **Coral Leisure Fees for Rookies and Academy Swimmers:**

Fees are charged per term and must be paid before each term begins.

10-week term:

€120 per member; €110 per sibling where more than one family member is enrolled.

7-week term:

€84 per member; €74 per sibling where more than one family member is enrolled.

To recognise the significant time and expertise coaches contribute to the Club, it was agreed in 2025 that the Head Coach would not pay Coral Leisure fees for their children, while Associate Coaches would pay 50% of these fees for their children. This arrangement will be reviewed annually by the Committee and depends on the Club's financial position. In recognition of the time given by Committee members and volunteers, a 10% goodwill discount is applied to the term fee.

**UCD Fees:**

UCD training is delivered over three terms. Fees are charged per term and must be paid before each term begins.

A 10-week UCD training term costs €90 per member, including the Club subsidy.

**Competition Fees:**

The fee for each competition will be communicated to club members by the Competition's officer. Competition payments should be made as below.

**Payment Method:**

Payment should be made by electronic transfer, including your child's name/ children's names/ the adult member's name in the reference for payee info.
